

## Interactive Display Session

The interactive display session or "share fair" will give an opportunity to participants to share information on their activities and to exchange knowledge. This session was conceived in recognition of the fact that time and the number of participants will not allow for individual presentations at the meeting; it is scheduled for two hours on the afternoon of Wednesday, 11 June. Stalls and soft board for posters will be available for displays.

In order to help us with planning, please let us know of the type(s) of item(s) you will display and the support, if any, you will require (e.g. laptop, cork boards). Table space will be limited, so please be selective in what you choose to bring. Kindly forward this information as soon as possible and not later than **30 May 2008** to **Margaret Odoch-Jato**, [modochjato@unicef.org](mailto:modochjato@unicef.org), with a copy to **Surendra Bisht**, [sbisht@unicef.org](mailto:sbisht@unicef.org).

The display area will be open for one hour on the evening of Tuesday, 10 June, for those who wish to set up early; details will follow on the web page.
